About Us

B.S. Abdur Rahman Crescent Institute of Science and Technology is a renowned Quality Leadership Institution located at the greenest spot of Chennai near Tambaram. Through our long history of 37 years of excellence, the Institution has offered access to a wide range of academic opportunities. Owing to the ever-increasing demand for quality legal education, Institute started the Crescent School of Law in the year 2017 with the objective to produce high quality law graduates to cater to the ever-growing need of such professionals both in the main stream legal as well as corporate fields.

The overall goal of the program is to educate, train and groom students, thereby fostering an in-depth understanding of the laws and the legal profession. Crescent School of Law imparts practical training to enhance student's personal and professional ability to adapt and grow with the changes in the legal environment, and to excel in their chosen fields.

Crescent School of Law prepares students for a career as a successful lawyer, judge or other legal professional. Equipped with the latest technology, campus Wi-Fi, state –of-the-art library, access to online resources, modern classrooms and permanent moot court facility, the building serves as a vibrant academic hub.

Our Vision

Crescent School of Law aspires to be a centre of excellence in legal education forging ahead with human virtues through knowledge, innovation and inclusiveness.

Our Mission

- To promote value-based holistic legal education.
- To develop skills addressing the challenges assertively.
- To encourage autonomy, integrity and leadership.
- To mould professionals with ethical and intrinsic values.
- To build a strong tradition of service and commitment.

Curriculum for BA LL.B(Hons.) and BBA LL.B(Hons.)

The curriculum for UG Law programme combines the knowledge acquisition of different branches of Law with development of critical skills like reasoning, argumentation and negotiation. The programmes at CSL are structured on wide range of courses that incorporate high academic standards and include subjects relevant to both present and new-age careers. The blend of Legal Aspects with modules from Management, Humanities and Social Sciences provide holistic learning to broaden the student's understanding of the courses.

Core Courses

Core courses are fundamental to the understanding of Law. They build the foundation of legal understanding and application, allowing students to know the basic rules, underlying principles and jurisprudence.

Clinical Courses

Applied Law is taught through these courses that make students learn the ethics of the profession. Curriculum adjudication through mediation, conciliation and arbitration as well as professional skills such as client interviewing, drafting, pleading, conveyancing, communicating, critical thinking and analytical thinking.

Electives and Honours Courses

There is a wide range of elective and honours courses like Maritime Law, Competition Law, Forensic Law, Media Law, Intellectual Property Law, Banking Law, Cyber Law etc., enabling students to choose subjects of their interest aligned with the future of work. Electives and Honours are contemporary courses incorporating the latest social and technological advances requiring legal interventions. The students may make a choice in any area they want to specialize in.
