TAMIL NADU STATE LEGISLATIVE ASSEMBLY VISIT

EXCLUSIVE SESSION: BUDDING LAWYERS MEET THE LAW MAKERS

The Crescent Legal Aid Committee organized an educational visit to the **Tamil Nadu State Legislative Assembly** at Fort. St. George, Chennai, Tamil Nadu - India on 31 August 2026 for all the undergraduate final year students enrolled in the law programmes of our reputed law school under the exclusive initiative of our Convenor, Ms. Tamilselvi J.

In this visit around 90 students actively participated under the guidance and supervision of the accompanying faculties Mr. Perumalsamy J, Ms. Banupriya G and Mr. Vasanth. Our team of spectators headed to the Fort St George and entered the assembly visitors corridors after a strict security check filled with anticipation and excitement to witness such a privileged moment and nurture their legislative knowledge.

In this visit, the budding lawyers got an opportunity to observe and learn the procedures of legislatures in engaging key deliberations towards enacting the necessary legislations and policies for the welfare of the public at large. This session was not just an audience experience rather an eye opening one for our students who witnessed the sessions in person and gained the knowledge of law making exercised by the Members of the Legislative Assembly.

Hereby, the academic year started with such a resourceful visit organized by our committee benefitting the final year law students.
